

ART EXHIBITION

Saturday, 12th – Monday, 21st September

I live in Aberdeen and paint in oils and Acrylics, using vibrant colours to depict some of our best known Scottish landscapes. I keep the basic scene but transform the painting with colour. My collection includes Aberdeenshire and West Coast paintings. My paintings vary in size from 20cm x 20cm – 60cm x 60cm and I sell prints and cards of my work and undertake lots of commissions.
